PART II

INITIAL ADMINISTRATION AND CONTROL

Appointment of
immigration
officers

3. (1) The Governor may by notice published in the Islands appoint public officers to be immigration officers under this ordinance provided that the Mayor shall be *ex officio* the Chief Immigration Officer.

(2) An immigration officer shall have the rights, powers, privileges and immunities of a police officer in the exercise of his or her duties under this ordinance.

Powers and
duties of
immigration
officers

4. (1) Subject to the following provisions, an immigration officer shall initially determine whether any person who wishes to enter the Island shall be allowed to land.

(2) Every vessel arriving at Pitcairn Island shall cause its presence to be notified to the Chief Immigration Officer.

(3) The master shall, immediately upon its arrival, deliver to an immigration officer, if so requested by him or her, a correct manifest containing the names and destinations of all passengers on such vessel; a master who fails to comply with this subsection is guilty of an offence.

(4) An immigration officer may board any vessel and search any part thereof for the purpose of exercising any part of his or her duties under this ordinance.

(5) An immigration officer may question and search any person who arrives at Pitcairn Island for the purpose of establishing his or her nationality, identity and status:

Provided that every person shall be searched by an immigration officer of the same gender.

(6) A person arriving at Pitcairn Island wishing to obtain leave to enter shall produce to an immigration officer a valid passport with a photograph or other document establishing his or her identity, nationality and citizenship.

(7) A person arriving at Pitcairn Island must have a valid entry clearance issued by the Pitcairn Island Office or qualify as a short-term visitor under section 6.

(8) An immigration officer may refuse leave to enter if he or she is not satisfied that the applicant for an entry clearance did not make a false statement to obtain entry.

(9) Where the immigration officer is not satisfied that the requirements of this ordinance have been complied with, he or she may refuse such person seeking to enter Pitcairn Island permission to do so and shall direct the master of the ship on which he or she arrives to remove that person from Pitcairn on that ship. The Chief Immigration Officer shall notify the applicant that leave to enter has been refused and give the reasons for refusal. The Chief Immigration Officer shall also inform the applicant that there is no right of appeal against the decision. Failure by the master to comply with that direction shall be an offence.

(10) Without prejudice to the powers and duties provided for in the foregoing subsections, an immigration officer who reasonably suspects that the presence of any person on the Island is in contravention of any provision of this ordinance may detain such person for a period not exceeding forty-eight hours. Any person so detained shall be deemed to be in lawful custody.

5. In default of permission having been obtained the passengers of the vessel will be ineligible to seek entry clearance on arrival.

(2) Subject to subsection (3), an application under subsection (1) may be refused if the Governor, in his absolute discretion and without stating the reasons, considers that the arrival of the vessel in question may be hazardous on maritime grounds or for any other security risk or that the required landing fees may not be paid or for any other reason the application should not be granted in the public interest.
